Conference Overview — Cape Town, December 2026

Following our September cohort at Sun City, ICL's Office Professionals & Secretaries Day Conference comes to **Cape Town** to close the year. This four-day programme blends high-impact professional development with a curated Cape Town experience — designed for the people who support, coordinate and lead from behind the scenes.

Delegates explore confident communication, practical AI and Microsoft 365 tools, emotional intelligence and leadership without authority — skills that future-proof support roles in the digital workplace. The programme ends with a networking celebration, certificate presentation and a Day 4 excursion of each delegate's choice.
